

VIRTUAL TENNIS IN-PLAY

24/7 live betting • Full 3-set matches • Based on real-life data • Motion Capture technology • Comprehensive Statistics Centre

Around-the-clock betting on live virtual tennis

Present your customers with the very best in Virtual Sports and live betting entertainment with Virtual Tennis In-Play. While traditional Virtual Sports focus on pre-match betting only, Virtual Tennis In-Play gives your sportsbook the edge with a variety of live betting opportunities.

Optimised for punters who like to bet on form and momentum, Virtual Tennis In-Play gives your audiences the chance to place live bets on complete games, available around-the-clock. Featuring 16 players competing in full, best-of-three set matches, Virtual Tennis In-Play truly replicates the thrill of live betting on tennis.

Most realistic
virtual simulation
and betting
experience
